

# ResMed CPAP therapy subscription plans\*

At CPAP Australia, we understand that keeping your mask and equipment fresh and up-to-date can be time consuming, confusing and can come with unpredictable costs. That is why we have come up with convenient payment plans, designed to save you the hassle and uncertainty of purchasing your equipment and replacing the mask and parts as required.

You can own your own CPAP equipment with an initial payment of just \$349, plus 36 simple interest-free monthly payments, whilst continuing to receive the masks and consumables you need to keep your CPAP therapy working effectively for you.

We have tailored the packages so you can choose the one that is right for you, ensuring it meets your needs and your budget.
